General Information

Artwork – Original Black and White, Camera-Ready Art Files are accepted that are produced in Corel Draw and Adobe Illustrator in EPS or PDF vector formats. Black & White TIFF format sized correctly are accepted at a minimum of 300 dpi. Note: For art created in Adobe Illustrator all text/fonts must be converted to outline format. Files that are a JPEG, or any art with a screen, tint or half-tone, cannot be used for laser engraving.

Production Time – 10-20 business days following artwork approval (depending on quantity). Rush service available based on factory schedule and customer request, possibly at an additional cost. If a rush service requires the factory to extend its normal working hours there may also be additional charges.

Claims and Insurance – All shipments are insured. Should freight damage occur, it is required that you notify customer service within 36 hours or less from the carriers/shipping company delivery time and date. All claims must be accompanied with *all original packaging and products* involved in the claim. If these aspects are not precisely followed, a claim will not be submitted and the full payment remains the customers responsibility.
