Provided FREE For All Customers

Proofs: Artwork paper proofs provided via fax or email for typographical proofing and approval.

Inventory: Would you like to qualify for larger quantity volume discounts? We will inventory the balance of the order that is not immediately needed and then personalize and/or ship upon request, until your inventory is depleted.

Packaging: Each piece is individually packaged in a durable jiffy-lite bubble bag.

General Information

Artwork – Camera-ready art files that are produced in Corel Draw or Adobe Illustrator in EPS or PDF vector formats are preferred and will produce the best results. All text/fonts must be converted to outlines. High-resolution TIFF and JPEG formats sized correctly are accepted at a minimum of 300 dpi.

For laser engraving: ALL artwork must be solid black and white. Any art with a screen, tint or half-tone cannot be used.

For ColorJET 4-color process: Vector art converted to CMYK will produce the best results. For full-color images (such as photos), a high-resolution EPS, TIFF or JPEG at a minimum of 300 dpi and scaled to the correct size is required. Artwork that fades to white (such as shadows or gradations) will not reproduce. Artwork cannot bleed.

After confirming your art meets the standards above, e-mail the file to art@artplak.com.

Production Time – 10-20 business days following artwork approval (depending on quantity). Rush service available based on factory schedule and customer request, possibly at an additional cost. If a rush service requires the factory to extend its normal working hours there may also be additional charges.

Claims and Insurance – All shipments are insured. Should freight damage occur, it is required that you notify customer service within 36 hours or less from the carriers/shipping company delivery time and date. All claims must be accompanied with *all original packaging and products* involved in the claim. If these aspects are not precisely followed, a claim will not be submitted and the full payment remains the customers responsibility.
